### **Local Company Celebrates Grand Re-Opening**

**SARASOTA, Fla. (Sept. 20, 2010)**— Local business owners Brian and Debra Lamb held an open house & grand re-opening on September 16 for their Signs Now facility, located at 652 South Washington Blvd. The event attracted over 40 people, including business clientele and chamber executives. Although Signs Now has served Sarasota for many years, the store has recently been renovated to pay tribute to many of the prime attractions in and around Sarasota.

“We really wanted to showcase Sarasota inside the center,” explained Debra Lamb. “We were able to not only do that, but also highlight the products and services available to our community with Signs Now.”

The Signs Now service base includes multiple solutions for outdoor and indoor signage, banners, window and vehicle graphics, exhibit and trade show graphics, ADA signage, dimensional letters, directional systems and other visual communications tools. Signs Now is also a member of Allegra Network LLC, one of the world’s largest marketing, print, graphics and signage communications franchises linking more than 550 locations in North America.

In addition to the traditional services, Signs Now also offers large format digital services to their customers—a technology must in the industry. Large format digital printing

provides a solution for clients needing to use photographs or complex artwork for their interior and exterior signage. For more information on Signs Now, please call (941) 951-7888 or visit the company website at [www.signsnowsarasota.com](http://www.signsnowsarasota.com).
